*** OPPOSED *** W-01212A-12-0309, SW-20445A-12-0310, W-03720A-12-0311, W-02450A-12-0312, W-02451A-12-0313, W-20446A-12-0314, W-01732A-12-0315 *** WATER/SEWER ***

Please deny the request of Global Water to include the ICFA's in the water rate base. Global Water did not contribute, nor has ever contributed, to the infrastructure of the Maricopa/Alterra community. Why then should we be burdened with higher water rates? So that Global Water can use the rate hike proceeds to pay for their purchases of distressed water companies? Companies that will have nothing to do with Maricopa? Are we expected to finance business ventures undertaken by Global Water solely for the benefit, and gain, of Global Water? The practice of using utility customers as cash cows so that the utility companies could afford to speculate, expand, enrich a few, without risk, has to stop! We already have enough of a budget burden, we are barely staying afloat, if that, we do not need to have the burden increased. So please, before Global Water is allowed to dip into our budgets, I am/we requesting the Acc to hold a hearing in the city of Maricopa. Global Water needs to convince us, the payers, that the water rate increase is necessary and that is in our best interest, and not theirs.

Thank you,
Yolanda G. Amaya
